A WORD FROM OUR PASTOR

Dear BCC Family,

At the start of this new year, it is good to be reminded of the Biblical principles related to STEWARDSHIP, defined as the responsibility God has given us to manage our lives and resources (time, talents and treasures) for His glory.

Stewardship is more than just the management of our time, our possessions, or our health. It defines our practical obedience in the administration of everything God has entrusted to us. It is the consecration of one's self and all that we have to God's service. As stewards of God, we are managers of that which belongs to God. As such we remain under His authority as we administer His affairs. Faithful stewardship means that we fully acknowledge we are not our own but we belong to Christ, the Lord, who gave Himself for us.

May our prayer and resolve be, "Lord, make me a faithful steward of your manifold grace"!

With love and affection for each of you,

Pastor Daniel
